WILMINGTON.

Park Gate Iron Works.  
Rotherham Aug 12 1857

My dear Sir

I thought your note down  
here with me, I find that  
I had urged the 7 plates  
forward so much, that the  
whole quantity was finished  
I forwarded yesterday, I think  
the intention of having them  
dressed here must be abandoned  
— I shall go into the plate  
matters carefully being aware  
that to be immediately made

pro.
