Westminster

Oct 6<sup>th</sup> 1857-

J Glasgow Esq  
Messrs W & G Galloway

Dear Sirs

Eastern Steam Navigation

Mr Brunel finds that if you can get fifteen hundred bottles sent off by Thursday night, he will be able to make that number do -

As this will relieve you of a little of the pressure for time I hope you will turn it account in making the bottles

as well finished and  
exactly to the pattern  
as possible -

I am  
Dr Sir  
Yours truly  
Benjow Lohi
