

Lancefield Forge.
Glasgow, 5th Oct. 1857

My Dear Sir

I am in receipt of your favor of the 2^d inst. with Squires enclosed. I shall make as exact a measurement, of the diameter of the Shaft, as possible, and return you replies to your several enquiries, in the course of a day or two.

In the meantime

I remain

My Dear Sir
Yours faithfully

for The Lancefield Forge Co.

Wm. E. McLean

Bradford Works and
London.
