

To Mess^{rs} W & J Galloway
Knott Mill Ironworks
13 Chester Road - Hulme
Manchester

The Screw upon the sample bolt,
I had from you, is rather large for
the holes, which are already tapped;
~~please~~ be particular in keeping the
screw of the same size as the pattern
I left with you — also ^{see} take care
that the bolts are not over the
6 3/4" in length —
