

OFFICES, 10, Park Street,

Westminster, 11 Aug<sup>r</sup> 1857

My dear Sir

I fear my staff of fitters  
could not enable me to  
take the holes, but should  
you is important to you  
to some particular how  
far we could manage it  
- we could apply machinery  
to drilling the holes.

Yours  
John Dale
