Dear Sir

We received your Telegraph
Message 3 o'clock this afternoon and the
Bolt and Screws a trifle under Whitworth's
Standard Gauge which I trust will be
the correct size you require them,

I am glad to inform you that we
have forwarded per Pickford Co. Rails
4 Hampus. containing 500 giving strictly
Orders that on arrival at Leamden Town
they must be forwarded without a
moments loss of time - these are
sent to catch the 15 Minute past 5 o'clock
Goods train so that they can be
delivered early tomorrow morning
a quantity more will follow by
a later train tonight - I trust
that the expeditious movements
which we have taken to accommodate

Your views may not be lost
sight of and if you want
any additional quantity now
that we are got properly
at work. I may say that
we can forward at least
2000 per day —

Your most obedient
humble servant
For John Glasgow
