

Patent Rivet Works & Lifting Jack Manufactory.

KNOTT MILL IRON WORKS.

Manchester Oct 6th 1857

Sir,

We regret to say that owing
to breakage with our Engine
this forenoon we have only
been able to send you 10²
Bolts instead of 400 or 500 as
promised yesterday - we hope
however to get to work again just
thing tomorrow-morning when
no time will be lost ⁱⁿ getting
the remaining 1900 completed.
We have a many ^{more} bolts made
but on acc of this occurrence

have been unable to get them
screwed —
we have given instructions to
Messrs Chaplin & Stone to
bring and deliver them (2 boxes)
to-morrow —

Yours very truly
J. S. Galloway
